NEWSLETTER

February 2017

Welcome to our first newsletter for 2017. We hope you all had a fantastic Christmas and New Year. Back into the swing of Term 1 and we are already busy planning for this year's fundraising events. We would like to also welcome our new students, families, caregivers, staff, transport drivers and supporting officers.

R.O.S.E Charity is a not for profit charity that supports the students with disabilities of William Rose School by purchasing items for the school that are not covered by general school costs. E.g. iPads, interactive equipment, playground equipment, sensory garden items just to name a few. We also pay for the maintenance, insurance and registration of the William Rose School Buses.

With 2016's fundraising efforts we raised funds to purchase a new Toyota Tarago Van, Defibrillator machine and interactive equipment for the students of William Rose School.
